

# CHURCH PLANTING RESIDENT

## TREASURING CHRIST CHURCH

Treasuring Christ Church is a growing church plant situated between Ann Arbor and Ypsilanti, MI. Currently, we are accepting applications for our Church Planting Residency. This person will help advance the mission of Treasuring Christ Church by leading vital ministries in our church in preparation to plant a church in the next 2-3 years.

The Church Planting Resident will work closely with the Lead Pastor and the rest of the ministry staff to assist in our mission of multiplying disciples who delight in, declare, and display the gospel in all of life and for the good of our community. The resident will be involved in sermon planning and preaching, multiplying small groups, developing volunteers and leaders, leading ministry teams, planning worship services, and more. Throughout their time at TCC, the resident will gain competency in preaching, organizational leadership, evangelism, financial management, pastoral ministry, and other skills essential to planting.

The Church Planting Resident must have a passion for the mission of Treasuring Christ Church and consider their role essential to accomplishing that mission. They must have a pastor's heart, an eye for detail, a commitment to excellence, and an exceptional work ethic.

As a residency position, this role is designed for someone who aspires to full-time pastoral ministry, particularly with an interest in church planting in North America. It is temporary in duration (less than 2 years) but could lead to long-term employment. Additionally, residency positions are funded partially through personal support raising. Training, tools, and resources will be provided to aid in this.
